Dear: Mr. N. Doroshenko

This letter is to inform you of the approval of the following products that have met the requirements for the Fives Cincinnati P-xx specifications.

<u>Product Name</u>	<u>Fives Cincinnati P-SPEC</u>	<u>Lab REF#</u>	<u>TRD</u>
Gazpromneft Slide Way-220	P-50	80316	3/23/17

If it is intended for these products to be placed in our Approved Lubricants listing, please advise us of the **company** and **product name** for the listing. The product tested meets Thermal Stability requirements and any chemical and physical tests that were conducted by Fives Cincinnati. The test datasheet is attached. **The lubricant supplier has evidence that the products generate passing results versus the full complement of requirements, if tested. These approvals are for a period of three years from the Test Report Date (TRD).** We are granting the approvals for this product based on the sample submitted to us for evaluation. Should any change or reformulation occur on this product, we are to be notified of these changes at once and the reformulated material must be submitted for evaluation and re-approval. Samplings of all approved products are made periodically from the field for evaluation. Should the product sampling disclose significant variations from that which has been approved, the product will immediately be removed from the Approved Products list.

Sincerely,

William Roe
